But it does showcase how art can help senior citizens, the elderly, and older adults in general. It provides some personal accounts of how older people “stay alive” by utilizing the creative aspects of making art. It shows how art therapy can help improve the quality of life for people as they get older.

Art Therapy With Older Adults & The Elderly

Of the many sectors of the American economy slammed by the coronavirus pandemic, the businesses and individuals who provide child care to an estimated 12 million children under age 5 are among the hardest hit.. According to a report released Wednesday, more than 1 out of 5 of the nearly 1 million people employed in the U.S. as child care providers in February have lost their jobs.
