Beautiful set of books marred by no subject index (but there is an index for the color plates, which are wonderful) and lack of depth in scholarly presentation of ancient Biblical battles. This is really a pictograph exposition of "The Art of Warfare in Biblical Lands," and in that it excels and these books are worth owning just for this.

The Land of Punt (Egyptian: pwnt; alternate Egyptological readings Pwene(t) /pu:nt/) was an ancient kingdom. A trading partner of Ancient Egypt, it was known for producing and exporting gold, aromatic resins, blackwood, ebony, ivory and wild animals. The region is known from ancient Egyptian records of trade expeditions to it. It is possible that it corresponds to Opone in Somalia, as later ...
