Once again, I ask, do we realize how many general questions we throw to the air in the course of a class period? We would be astounded at the results if we simply assigned a student to tally how many of these questions we actually ask each class period. Old habits are hard to break, but the students would love to help you break this one.

Asking your manager for a raise can be nerve-wracking, so much so, that some people wait for months or even years before asking for a raise they deserve. The truth is, there's nothing wrong with asking for a raise that reflects the hard work that you do, but there are some approaches and best practices that will always get better results than ...
