You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

4.5 stars! This is the 3rd book in Rebecca Zanetti's Sin Brothers series. I have really enjoyed this series and this book is no exception. You won't want to jump in on the 3rd book though as a lot has happened and you'll enjoy it so much more if you start with book one Forgotten Sins. Book three is about Nathan (my favorite brother) and Audrey.

Blind Faith (4.5 Hearts) I just started this series late last year. It is a romantic suspense series with a hint of paranormal to it. It focuses around a group of brothers who were bred in test tubes and raised on a military base by the Commander who thought of them as nothing but weapons since the day that they were born.
