Concordance Septuagint Greek Versions Old Testament

The Septuagint, not the Hebrew Bible, was the Old Testament for the writers of the New Testament as well as the church fathers. Because most of the church fathers could not read Hebrew, exegetical debates were settled using the Septuagint. Even today the Septuagint remains the canonical text for the Orthodox Christian tradition.

There are just a few important points to mention regarding the Septuagint specifically, that we haven't discussed already elsewhere. This translation into Greek, of the Old Testament, is commonly abbreviated as "LXX" due to the fact it was held to have been compiled by seventy "elders" of Israel, the event usually being placed in the city of Alexandria in the 200's BC or later.
