No thinking individual should be engaging in such behavior and Galamian and Green should be ashamed of themselves. At least re-write the entire work if you intend to 'rape' unsuspecting students and customers for a book. But using slick legal tricks to enable you to deceive others is an intellectual crime.

What is the most difficult cello piece? Buy the selected items together This item: Bowing and rhythm patterns. That's probably the basics of what makes the Galamian scale fundamentally helpful in practice and I'm sure many accomplished players will also have tips and training they add to further create depth in something so simple, yet cell, like scales.
