### Getting The Left Right The

Politicians today often describe their opponents as being on the far left or the far right in an effort to de-legitimize their politics. And the meanings of left and right can still change once again.

### The Surprising Origins of 'Left' and 'Right' in Politics ...

The 'LEFT', 'MID', and 'RIGHT' functions are designed to allow us to parse out substrings from a single string of data based on that substring's relative position within the source string. The syntax for the 'LEFT' and 'RIGHT' functions are exactly the same while the 'MID' function contains one additional parameter.

### How to use the String Functions LEFT, RIGHT, MID, and LEN

The left-right political spectrum is a system of classifying political positions, ideologies and parties from social equality on the left to social hierarchy on the right.. On this type of political spectrum, left-wing politics and right-wing politics are often presented as opposed, although a particular individual or group may take a left-wing stance on one matter and a right-wing stance on ...
