Modernising Medical Careers 1 set out the current UK medical training pathway, envisaging that doctors would move seamlessly between foundation years (F1 and F2) and specialty training.

Read Book Graeme Dewhurst Postgraduate Dean Of Hekss

There has been a steady decline in the number of doctors doing so, from 83% in 2010 2 to 42.6% in 2017. 3 The year following F2, away from the UK training pathway, is informally termed an 'F3' year.

Why are UK junior doctors taking time out of training and ...
