History Of The United States

The history of the United States started with the arrival of Native Americans around 15,000 BC. Numerous indigenous cultures formed, and many disappeared in the 1500s. The arrival of Christopher Columbus in 1492 started the European colonization of the Americas. Most colonies were formed after 1600, and the early records and writings of John Winthrop make the United States the first nation whose ...

History of the United States - Wikipedia

American History. The history of the United States is vast and complex, but can be broken down into moments and time periods that divided, unified, and changed the United States into the country it is today: 1700-1799

U.S. History and Historical Documents | USAGov

The history of the United States is what happened in the past in the United States, a country in North America. Native Americans lived in the Americas for thousands of years. English people in 1607 went to the place now called Jamestown, Virginia. Other European settlers went to the colonies, mostly from England and later Great Britain.

History of the United States - Simple English Wikipedia ...

The history of the United States from 2008 to the present began with the collapse of the housing bubble, which led to the Great Recession, and helped the Democrats win the presidency in 2008 with the election of Barack Obama, the country's first African-American president. The government issued large loans and enacted economic stimulus packages that aimed to improve the economy.

History of the United States (2008-present) - Wikipedia

The belief that the United States is a "city on the hill," a country the likes of which the world has never seen before. Placing familiar historical events in the context of these overarching themes will help you see American history less as a series of separate events and more as a mosaic in which everything is interconnected.
