List of Academic Geography Journals - ThoughtCo

Our books and journals on human geography examine which human activities change space (e.g. settlement, economic activity) or how humans themselves are influenced by spatial conditions (e.g. mobility). Find out which direct and indirect structures and processes influence the relationship between space and people.

Human Geography: Books and Journals | Springer

R.J. Johnston, in International Encyclopedia of the Social & Behavioral Sciences, 2001. 4
Conclusions. Human geography is a large, expanding, and vibrant discipline, characterized like most others by fragments and tensions: its extent and the nature of the expansion can be appreciated by comparing the four editions of The Dictionary of Human Geography (Johnston et al. 2000).
