I am passionate about making certain students know I care about their results. Students respond to teachers who appear to be caring. Personalizing of the student/teacher connection allows students see teachers as approachable. Show that you care about your students by asking about their learning and what they plan to do in the future.

5 Power Strategies for Motivating Students Who Don't Care

It took a while, but I finally discovered that the best way to offset my highly self-critical brain is to stop caring whether or not you suck, because it doesn't matter as long as you are learning. Now if I could only get Dick and Bob to just shut up for a while.

I Don't Care If I Suck, As Long As I'm Learning

School sucks. I don't think I know anybody who enjoyed learning at school. I certainly don't know anybody who thinks learning about what somebody did in 1832 has made their life better. But it's a chance for you to explore what you might want to do, and more importantly it's a chance to keep those doors open.

[NeedAdvice] I don't think I care about school ...

Don't waste your time trying to get everyone to like you, because it's impossible. Instead of worrying about who doesn't like you, focus on being a better person for those who do . Spend your time and energy living an awesome life and using your talents, gifts, and abilities to make the world and people around you better.

Ultimate Guide on How to Not Care What Other People Think

Even if you're, right now, thinking yeah but I don't care that I don't care, I'm just reading this to confirm that I don't care. I think you still care. And I care, so there's that.
