Intermediate Accounting Chapter 15 Leases

Chapter 15 Leases. Chapter 15 focuses on accounting for leases from the perspective of both the lessor and the lessee. As discussed in Chapter 15, a lease can be classified as either an operating lease or a capital lease. An operating lease is basic rental of property between two parties. A capital lease, on the other hand is one where the substance is a transfer of property from the lessor to the lessee with the lessor receiving a long-term receivable for the lease payments, and the lessee ...
