The Krystal Clear Saltwater System combines a unique two-stage technology to sanitize pool water. First, an undetectable level of natural, swimmer-safe chlorine is produced when natural salt is added to pool water and passes through a titanium coated electrolytic cell during the filtration process. The result is soft, fresh, clean water without

File Type PDF Intex Krystal Clear Saltwater System Manual Cs8110

Question: I recently purchased the Intex Krystal Clear saltwater system for my pool. I was under the understanding that I simply add the sufficient amount of salt to my pool after I fill it up, run the pump for 24 hrs to let it fully dissolve and then turn on the system every day for the suggested amount of time on the timer at night, no more chemicals, and a clean
