Invincible Ark Royal Book 12

Start by marking "Invincible (Ark Royal #12) ..." I have enjoyed most of the "Ark Royal universe" books. The last one felt flat, and this one feels like a lot more of the same. There is conflict and action, but large segments were skimmed over because the read so much like sections of other books in the series.

Invincible sets up a new story arc within the Ark Royal series and while I will no doubt continue to read the series this latest incarnation lacked some of the drive and impetus of previous novels. I wasn't all that enamoured with some of the new characters and well let's be honest mankind is facing another interstellar war, this is getting a little repetitive :)

The debut novel inspired the name of the series and there are at least a dozen novels stacked up in this multiple-book fictional tale, so you'll always have another one by your side to pick up and check out- at least for a while before you run out. Ark Royal is the thrilling first installment of the series by the same exact name.
