In some cases, you  
may also find free  
books that are not  
public domain. Not all  
free books are  
copyright free. There  
are other reasons  
publishers may choose  
to make a book free,  
such as for a promotion  
or because the

# Read Online Mass Transfer

author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

## **Mass Transfer Operations 3rd Edition**

Author's purpose in presenting the third edition of this book continues to be that of the previous edition:

# Read Online Mass Transfer

"to provide a vehicle for teaching, either through a formal course or through self-study, the techniques of, and principles of equipment design for, the mass-transfer operations of chemical engineering."

This latest edition has  
been thoroughly

revised and updated  
with new discussions.

The third edition now  
discusses many

developing topics in  
mass transfer

operations in more  
depth, especially in the  
biological engineering  
area.
