Another large and sympathetic volume. “Max Stirner,” written by Dr. Anselm Ruest, has been published very recently in Berlin. Dr. Paul Eltzbacher, in his work, “Der Anarchismus,“ gives a chapter to Stirner, making him one of the seven typical Anarchists, beginning with William Godwin and ending with Tolstoi, of whom his book treats. There is hardly a notable magazine or a review on the Continent that has not given at least one leading article to the subject of Stirner.

**Max Stirner Quotes (Author of The Ego and Its Own)**

Stirner attacks the idea of self-renouncing love because he sees it as having been perennially abused to make people serve the interests of those who care naught for them. It may be that he goes too far in attacking charitable love as such, but we may nonetheless admit the frequency of its abuse, especially by political societies.
