Related Media / Audio: Cameos, feat. Jeffrey Spier; This information is published from the Museum's collection database.

Cameo set in a modern ring (Getty Museum)

In 1759 the British Museum opened its doors to the public -- the first free national museum in the world. James Delbourgo recounts the story behind its creation through the life of Hans Sloane, a controversial luminary with an insatiable ambition to pit universal knowledge against superstition and few curbs on his passion for collecting the world.
