National Geographic Photographs | Fine Art America

Photo Ark is a multiyear effort to document every species living in zoos and wildlife sanctuaries, inspire action through education, and help save wildlife by supporting on-the-ground conservation efforts. National Geographic photographer Joel Sartore started the Photo Ark in his hometown of Lincoln, Nebraska, in 2006. Since then, he has visited more than 50 countries and photographed more than 10,000 species in his quest to create this photo archive of global biodiversity.

Photo Ark | National Geographic Society

Celebrated National Geographic photojournalist Joel Sartore continues his Photo Ark quest, photographing species around the world that are escaping extinction thanks to human efforts. Joel Sartore's quest to photograph all the animal species under human care celebrates its 15th year with this glorious and heartwrenching collection of photographs.
