After the Rain is a splendid novel which I would not classify as women's fiction or romance. It is simply a great story, well crafted and with fine and believable characters. Karen White knows how to set and tell a Southern story and her sentences and dialogue flow like sweet tea for which the area is so famous.

Rain is one of the best story I read among isekai and fantasy genre. The story is something like "protecting the princess", it is an old kind of plot that is the most common story even in children's book. But the strength of Rain didn't lies on it's plot, but on how it is executed and written and in it's characters.
