When we started dropshipping almost ten years ago we thought that everyone was doing the same but the fact is that dropshipping was a fairly unknown business model at the time (we did mainly eBay dropshipping at the beginning). Just take a look at the graph below which shows searches for the term drop shipping, it has literally exploded in the last couple of years.

Generally, drop shipping works for heavy or very expensive items, avoiding double shipping costs and high inventory costs, respectively. My sense is that you want to consider altering the purpose of D S to sell ordinary items. If so, there is severe risk to your standing with ebay since you give away control of shipping.
