I didn't think I would ever need a blah blah blah book for Dummies but Philosophy was a subject that I was struggling with. Maybe it was the language used to explain everything but this book "dummied" it down for me so I can comprehend the topic(s) at hand. One person found this helpful. Helpful.

Amazon.com: Customer reviews: Philosophy For Dummies
Perhaps the proudest achievement of philosophy in the past thousand years is the discovery that each of us really does know that we exist. In a way, Descartes proved that with his famous phrase: "I think therefore I am" It is unfortunate then, that there is a big question mark hanging over the word "I" here – the notion of what philosophers call "...
