The 4x4 block schedule divides the school year into two semesters. Students take half of their eight courses during the first semester and the other half during the second semester. Under a 4x4 block schedule, instructional time for each course is generally between 85 and

Optimal Scheduling for Secondary School Students - Email ...

Block scheduling or blocking is a type of academic scheduling used in schools in the American K-12 system, in which each pupil has fewer classes per day. It is more common in middle and high schools than in primary schools. Each class is scheduled for a longer period of time than normal (e.g. 90 minutes instead of 50).

Block scheduling - Wikipedia

Daily Homeschool Block Schedule for Middle & High School 1. Morning Tasks Block. The boys usually wake up and begin their homeschooling day at 7:30 am. This morning tasks block includes 4 sections. Personal hygiene is the first thing they do. This always begins with a shower for my oldest and face washing for my youngest.

The Best Homeschool Block Schedule for Middle & High School

High school seminar (class) schedules are designed to allow high-school learners flexibility for elective choices, college classes, internships and service learning opportunities. Typically, as learners evolve from being Freshmen (9th grade) to becoming Seniors (12th grade), their academic schedules reflect a transition from being mostly "in-the-building" to significantly "in-the-world", as ...

Sample High School Schedules

A school schedule (at times known as a school timetable), is a schedule devised to be followed by teachers and students in a school. A typical school schedule contains the different subjects to be taken up by students, along with the allotted time and classroom for each subject, and its assigned teacher.

Master Scheduling for Small High Schools (900-1500 students)

A block schedule is a system for scheduling the middle- or high-school day, typically by replacing a more traditional schedule of six or seven 40-50 minute daily periods with longer class periods that meet fewer times each day and week. For example, a typical block-schedule class might last 90 or 120 minutes and meet every other day instead of daily.
