## **Taxation without Representation in Contemporary Rural China**

Ironically, before most millennials left the grade schools where we learned this founding principle, the modern-day version of taxation without representation had already been thrust upon us. In lieu of paying for new spending with new taxes, for the past two decades Congress has paid for new spending with future taxes, i.e. debt.

## Read Book Taxation Without Representation In Contemporary Rural China

Taxation without representation is really a misnomer in today's world. The term arose when the colonists were tired of paying money to the crown back in England, because the colonists were not represented in Parliament. I don't agree taxes should be paid, but as Benjamin Franklin said, "there are only 2 things certain in life, death and taxes."
