...

The examples are well focused and presented well (e.g., you know what the example is supposed to look like and behave like). What's really made me happy is how the publisher handles the ebook versions of their books. They have 4 Android tomes (Busy Coder's Guide To Android, BCG to Advanced, a tutorial, and a performance book).

The Busy Coder's Guide to Advanced Android Development ...

The Busy Coder's Guide to Android Development Book
Description: Android, the next-generation open mobile platform from Google and the Open Handset Alliance, is poised to become a significant player in the mobile device market. The Android platform gives developers a fair bit of control while still supporting a familiar programming language.
