4 CHAPTER 1 V INTRODUCTION TO HUMAN COMMUNICATION is then passed to the receiver or the intended target of the message. The receiver goes through a process of decoding to interpret the translated ideas of the sender. The passing of the message travels through a channel or pathway of communica- tion. The channel can be anything from a text message to a face-to-face discussion

CHAPTER 1
For over three decades, this has been the bestselling text for the Human Communication course. Understanding Human Communication is written with one goal in mind: to provide students with the insights and skills to succeed in our changing world. Fully updated and expanded to include more information on culture and communication, gender and communication, and the effects of technology and social media on communication, this twelfth edition also features two new types of boxes, "Understanding ...
