The Workshop Manual is produced primarily for the use of Volvo Penta workshops and service technicians.

This assumes that people who use the Manual have basic knowledge of marine drive systems and can do the tasks of a mechanical or electrical nature associated with the trade.

When switching your old engine for a D1 or D2 engine, including Saildrive, Volvo Penta has developed repowering kits to ensure a seamless and cost-effective replacement. Each kit has been carefully crafted and designed to easily integrate into an existing engine bed, regardless of which engine brand you are currently running.
