Dear prospective
WISE2020 attendants:

Access Free Web Information

The 2020 edition of the International Conference on Web Information Systems Engineering (WISE 2020) will be held in Leiden, a city about 25 kilometer away from Amsterdam Airport, in October, 2020. It marks the 21st anniversary of the conference. WISE has established itself as a community aiming at high quality research and offering the

Access Free Web Information

ground for advancing efforts in topics related to Web information systems.

WISE 2020 - 21st International Conference on Web Information Systems Engineering Auckland New Zealand

The Web & Information Systems Engineering (WISE) Lab is a

research unit of the Department of Computer Science at the Vrije Universiteit Brussel and is headed

by Prof. Dr. Olga De
Troyer and Prof. Dr.
Beat Signer. The
activities of WISE
concentrate on
innovative information
systems such as next
generation web
applications, context-
aware applications and
cross-media
information spaces.
